**Welcome to Arbor Oaks!**

Hey, my name is Jacob Martinez.

I'm the new Maintenance Director here at Arbor Oaks.

I'm engaged and a proud dad to two little ones – an 18-month-old boy named Daniel, and a 1-month-old girl named Nayeli. We also have two dogs, Astro (a shih tzu) and Nala (a chihuahua).

Outside of work, I love spending time with my family eating at new restaurants and playing video games with friends.

I also love going clearance shopping at Walmart and Target.

## From the Executive Director

I hope all are doing well and enjoying summer and sunshine. We have had a busy summer so far at the community and we are looking forward to keeping the momentum going.

### Below are items that we have done:

Parking lot striping has been completed

Windows were washed. We got all of the screens back in for residents

### These items will be completed soon:

New carpet at the front door

The transition strip on the third floor will be replaced. We do not have a date set for this, but the company will be starting around 6pm. During that time, no walkers or wheelchairs will be allowed to pass. Aides will be able to pass this area

### Topic needing attention:

Pendants - Pendants at assisted living communities are for emergency use only. We have a list included in this newsletter talking about when to push and when to call the front desk. It is challenging to know what an emergency is and what is not. We have too many pushed everyday. We are seeing in excess of 50 pendants responses per day. When we have that many pushes, it is hard to triage where to go first.

## From Marketing

August is Happiness Happens Month:

Have you ever stopped to think how you make happiness for yourself or for someone else? August is a time to dedicate to celebrating things that bring happiness. It is also a time to encourage people to share joy with others. Happiness can be found in all different moments, no matter how small of a moment it may be. Spread the positivity of the moment with other.
